Get proud. Get certified. Get recognized for your technical knowhow!

Well-educated technicians are a pathway to satisfied Oilheat customers. Technicians who are better trained can do the job correctly the first time, leading to fewer callbacks.

Reach your full potential. Gain a sense of pride and achievement, and keep up-to-date with the latest in home heating technology as a certified technician.

It's easy to join the nationwide NORA Oilheat Certification Program. We recognize your prior training and experience, and most courses are available at low-or no-cost to you.
